OFFICE OF THE President, District Fund Board
MYSORE DISTRICT,

Dated Mysore 22nd July 1897

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

SIR,

I have the honor to bring to the kind notice of Government that a grant of Rupees 29,248 was made by Government from Local Funds General for sinking wells &c during the year 1897-98. (Vide Government order No. 106-D dated 19th September 1897). The amount was distributed among the 8 Talukes according to requirements and a statement showing the expenditure is under preparation and will shortly be submitted to Government. While inviting the attention of Government to the short income of the District Fund Board, I beg to state that many important works such as sinking wells, improving drinking water Katte's, constructing bathing ghats &c could not be undertaken. Under these circumstances, I would request the Government to be pleased to make a grant of Rupees twenty or twenty-five thousand from Local Funds General, so that the villages may be provided with good drinking water

wells I beg to add that very early sanction is necessary as the estimates have to be prepared and the works put on hand during proper season

I have the honor to be,
Sir
Your most obed. servant
